

Obtain Your Diploma/GED and an Internet & Computer Core Curriculum (IC³) Certification!

Able-Disabled Advocacy's YouthBuild program, "Build with Pride," is a comprehensive youth development program that addresses several core issues facing low income youth including education, work readiness, financial assistance and employment. YouthBuild students work towards completing their diploma/GED while learning valuable job skills and serving their communities. YouthBuild offers the following services:

- 📄 **High School Diploma/GED Program Completion**
- 📄 **Recognized certifications in digital literacy including:**
 - Key Applications** – Word, Excel, Access and PowerPoint
 - Computing Fundamentals** – Hardware, software and operating systems
 - Living Online** – Internet and networks, email, web browsers and more
 - Hands-On Computer Training Workshops**
- 📄 **Leadership Development & Community Service**
- 📄 **Job Readiness Skills & Job Placement Assistance**

IC³ certification will prove to potential employers that you have the digital skills that are necessary to function successfully, effectively and productively in the workplace.
